

Aaron Foster

Since childhood, Aaron has had a unique ability to see the beauty in everyday things and recognized the infinite artistic possibilities that a simple inanimate object may hold. With fond memories of childhood road trips and a passion for found objects and antique school maps, Aaron created his first vintage license plate map.

Working specifically with vintage plates, he began his career with reclaimed wood from old homes and barns and now finds a never-ending palette of color and combinations in his collection. The USA map has always been his signature piece.
