

Mindeli

Mindeli was born in 1976 in the town of Tbilisi, a region of Georgia, Russia. Her father was a renowned abstract painter in his own right, and held a strong, early influence on Mindeli's pursuit of painting. In particular, he instilled in her the daily discipline that she still claims is so vital to her progression as an artist. She produced her first sketches in his studio, and advanced quickly under his instruction.

Mindeli's current style fuses her love of nature and free expression in intricate, buoyant floral designs. She is constantly in search of new cultures, talent and techniques from which she might learn. She plans someday to return to her homeland and pay her respects to the environment in which she grew up.
