

Chris Zalewski

Photographer Chris Zalewski's delicate hand and artist's eye fuse together to create exquisitely beautiful floral portraits that range from ethereal to intense. A passionate gardener, Chris has planted many colors and species of flowers in her Florida garden to ensure she has a never-ending supply of subject matter and inspiration. Chris carefully photographs each flower and then applies digital technology to her photographs to create unique effects, ranging from vintage-feeling sepia tones, intensely hued flowers on hand-painted backgrounds, and high-key images that look lit from within. Zalewski's work is featured on a series of posters and greeting cards.
