

Angelo Basso

Known as the master of the Baroque revival, Italian sculptor Angelo Basso is one of the most noted figurative sculptors in both his native country and the United States.

Basso employs the many basic characteristics of traditional Baroque to add grace and flowing movement to the contemporary sculpture he produces today. His technical mastery and knowledge of human anatomy is evident in his idealization of the female figure. A self-taught artist, Basso exhibits internationally and has work in the Vatican Museum.

Authenticity & Price Match Guarantee: Shop with confidence. ArtRev.com is proud to be the first online art retailer to offer a "[lifetime authenticity guarantee](#)" with every limited edition or original work of art. Most limited edition and original artworks ship with a Certificate of Authenticity free of charge. This certificate is an official and valuable document that most insurance companies require in order to insure artworks against damage or theft. ArtRev.com will make every possible attempt to match or beat the advertised price of any major Internet competitor, art gallery, or frame shop; given that they are authorized to sell the item from the publisher or artist, and have the exact item in stock available for immediate sale.
