Dana Queen

Dana Queen has a love for nature that has forever found expression through her art. Inspired by the tropical seas of Hawaii and the South Pacific, Dana Queen paints an Environment filled with an aesthetic charm both above and below the turquoise water. Dana's desire is to capture those magical moments in Nature that can be so fleeting. Her ability to do so is what has established her as an Internationally collected Artist.

The beauty she sees all around her transmits onto canvas is mirrored by the beauty within her soul. She loves nature, dolphins, the beauty of our planet, and wants nothing more than to play as large a part as she possibly can in it's preservation.
