Caroline Gardner

Caroline Gardner is one of the most respected independent greeting card and stationery designers in the United Kingdom. Caroline, who trained and initially worked as a painter, started designing cards in the early 1990s after receiving a commission for a small range from a Tokyo based art gallery. The cards were an instant success and she now works from studios overlooking the River Thames in West London.

Caroline Gardner's uniquely original designs have a loyal following of design-focused people around the world. Her quirky yet sophisticated designs are brought to life using traditional printing techniques, interpreted in a very modern way.
