ARTIST STATEMENT:

"I spend summers in Europe, photographing the wonders that man has left as a legacy, as well as those endeavors he has created recently which are intended for future generations. When I return home, I express my impressions of what I have observed in my travels in the United States and abroad through thought, through concept, through images with design, texture, line and color. On my 'Creative Journey' there are always forms of 'movement' -- in either subject matter or design. My art is a voyage of exploration and a two-way journey with the viewer who can participate in mind and spirit..." -- Beverly Reordan
