

Antar Dayal

Since immigrating in the early 1980's from Germany, his country of birth, Dayal has become one of America's most renowned scratchboard engravers, creating an immense body of award-winning illustration work. A great deal of these images have meanwhile attained fine art status and are now for the first time released as printed art editions.

In recent years Dayal's work has evolved greatly and as he has freed himself from commercial art, he has incorporated other techniques like digital manipulations, classic oil painting, and screen printing into his art.
