

Charles Bibbs

Charles Bibbs is an accomplished Fine Artist, entrepreneur and philanthropist that has always believed that we are the keepers of our culture, and as such, has spent much of his time working towards developing a cohesive, energized African American Community. Charles Bibbs artwork manages to fuse African American and Native American cultural themes that make powerful cross cultural statements. His work is thought provoking and capable of arousing strong emotions that cross ethnic, gender and generational barriers. His artistic renderings convey a deep sense of spirituality, majesty, dignity, strength and grace.

It is sufficient to say that however his works are viewed or whatever individual emotions they may evoke, they remain characteristically and recognizably Bibbs. My most important goal is to make profound aesthetic statements, that are ethnically rooted, and at the same time arouse spiritual emotions within us. Charles has also founded a number of organizations and businesses to help in the growth of African American artistic expression such as: Art 2000, Art on Tour, Images Magazine and the Inland Empire Music and Arts Foundation. Charles Bibbs own corporation, B Graphics and Fine Arts, Inc., is recognized as one of the leading publishers and distributors of beautiful African American images. For many years, we have introduced nothing but the best quality and technically advanced prints to our customers.
