About Monstrinho

Born in Queens in 1976 and raised on Long Island, New York, his love for comic books and cartoons was the root from which his creativity began to sprout. During childhood, Monstrinho began creating his own characters and storylines. After laying his eyes on graffiti art, he gradually began using it as a means for storytelling.

His works encapsulate the feeling of complete freedom. Each piece is fantasy-driven and explodes with color, creating its own little world free from the rules and limitations of everyday life. Each painting consists of characters that Monstrinho creates from his emotional experiences, personal encounters or elements of nature. They illustrate the boundlessness of the creative mind.

Original Mixed Media

An original artwork that has been hand-crafted by the artist using a variety of materials and more than one medium.
