Frame Your Artwork Online & Save!

Did you know that you can custom frame this artwork to your exact taste and specifications. Spark your own creativity and frame your artwork in as little as 2 minutes in three easy steps! Our Online frame shop offers museum quality framing services at prices up to 50% off your local gallery or frame shop. [See art collection](#) .

About Lee White

Lee White's first expressions of artistic creativity were recognized by his grandmother Lizzy when Lee was eight years old. Daily, she set aside time for Lee to create. At age twelve, he received the Mayor's trophy for Artists sponsored by the Miami Herald.

Lee's format training began in California where he studied at the California College of Commercial Design, the City College of Los Angeles. He received a fine art degree from the California Institute of Arts. During the seventies and eighties, serigraphy became a strong medium for Lee's talent. He had the unique experience of being tutored by the famed master of printmaking, Waren Woodward.

After relocating to the Southeast, Lee began working with other leading artists and printmakers. The development, evolution, birth and growth of Lee's present style, the compelling power and uniqueness of his range of humanistic insight with which Lee lays down mixed media on each canvas has matured and he has come into his own.

His personal journey from Florida, upbringing in Southern California, traveling to exotic islands in the Caribbean, and finally moving to Atlanta have all contributed to an extremely diverse cultural experience from coast to coast. The emotions, color and

excitement can be felt in his images.

His prolific work, exquisite figuratives, abstract expressions, still lifes and collages are in private and corporate collections across the United States, in Europe and throughout the world.

Offset Lithograph

The offset lithography process works by first transferring an image photographically to thin metal, paper, or plastic printing plates. Unlike other forms of printing, the image on the printing plate is not recessed or raised. Rollers apply oil-based ink and water to the plates. Since oil and water don't mix, the oil-based ink won't adhere to the non-image areas. Only the inked image portion is then transferred to a rubber blanket (cylinder) that then transfers the image onto the paper as it passes between it and another cylinder beneath the paper.

The term offset refers to the fact that the image isn't printed directly to the paper from the plates, but is offset or transferred to another surface that then makes contact with the paper.

Authenticity & Price Match Guarantee: Shop with confidence. ArtRev.com is proud to be the first online art retailer to offer a "[lifetime authenticity guarantee](#)" with every limited edition or original work of art. Most limited edition and original artworks ship with a Certificate of Authenticity free of charge. This certificate is an official and valuable document that most insurance companies require in order to insure artworks against damage or theft. ArtRev.com will make every possible attempt to match or beat the advertised price of any major Internet competitor, art gallery, or frame shop; given that they are authorized to sell the item from the publisher or artist, and have the exact item in stock available for immediate sale.

Pricing & Availability: Due to the dynamic nature of the ArtRev.com website, prices and availability are subject to change without notice. ArtRev.com is not responsible for any pricing errors.
