About Charles Bragg

Considered the foremost social satire artist in America, Charles Bragg is highly acclaimed for his cryptic and humorous portraits. Bragg is a spiritual descendent of Bosch, Brueghel and Daumier, all of whom lampooned the foolish elements of society. H.L. Menken said, "Nothing can come out of an artist that is not in the man." Charles Bragg is a case in point, combining a strong sense of humor with thought-provoking opinions.

Charles Bragg is a devoted student of the human race. As one of the master observers of contemporary times, he and his little figures have etched their way into the American heart. His is a unique perspective on the human comedy-it is the reassuring viewpoint of the fellow traveler. If you recognize yourself in a painted expression on one of his character's faces-a look so

precisely rendered that your empathy is spontaneous and unconscious-it is because Bragg has been to the mountain and suffered that big of tangled reality himself. He is the constant observer, but never the innocent bystander.

Fine Art Print

Fine art prints are printed using sophisticated printing techniques such as lithography, serigraphy, or giclee prints. They are printed on thick archival quality paper or canvas with inks that last for decades. Besides the exquisite quality of a fine art print, limited edition prints are valuable and may appreciate in value depending on certain factors.
