Our Online frame shop offers museum quality framing services at prices up to 50% off your local gallery or frame shop. [See art collection](#) .

**About Nicholas Krushenick**

Krushenick was born in New York City. He studied for two years at the Hans Hofmann school in New York. Clement Greenberg probably came closest when he classified Krushenick amongst the "Post-Painterly Abstractionist Painters." One of the original

group of POP Artists, in his works one can very clearly feel and enjoy the "Spirit of Pop": graphically striking, sometimes shocking, always funny, they reflecting the irritations of metropolitan life.

Krushenick's work is in the permanent collections of such museums as the Museum of Modern Art, the Guggenheim Museum, the Metropolitan Museum of Art, the Whitney Museum of American Art (New York), the Chrysler Museum, the Smithsonian Institution, the San Francisco Museum of Art, the Dallas Museum of Art, the Amon Carter Museum (Fort Worth TX), Fisher Gallery (University of Southern California, Los Angeles), the Denver Art Museum, Lowe Art Museum (University Of Miami), the Walker Art Center (Minneapolis), the Frederick R. Weisman Art Museum (The University of Minnesota), the Tacoma Art Museum (Tacoma WA), the University of Illinois Art Museum, the Museum of Art & Archaeology (University of Missouri-Columbia, Columbia MO), The Empire State Collection (Empire State Building, NY NY), Brigham Young University Museum (Provo UT), The Michael C Carlos Museum (Emory University, Atlanta GA), Wright Museum of Art (Beloit College). European Collections include the Folkwang Museum, Essen and the Stedelijk Museum, Amsterdam.

His work has been featured in the Whitney Museum of American Art, New York 1963, "Systemic Painting", Solomon R. Guggenheim Museum, New York, 1966, "New Forms and Shapes of Colour," Stedelijk Museum, Amsterdam, 1966, and "The Sixties," Museum of Modern Art, New York.

### **Serigraph on Paper**

Screen printing or Serigraphy is a printing technique that uses a woven mesh to support an ink blocking stencil. The attached stencil forms open areas of mesh that transfer ink as a sharp-edged image onto a substrate. A roller or squeegee is moved across the screen stencil forcing or pumping ink past the threads of the woven mesh in the open areas.

Credit is generally given to the artist Andy Warhol for popularizing screen printing identified as serigraphy, in the United States. Warhol is particularly identified with his 1962 depiction of actress Marilyn Monroe screen printed in garish colors.

**Authenticity & Price Match Guarantee:** Shop with confidence. ArtRev.com is proud to be the first online art retailer to offer a "[lifetime authenticity guarantee](#)" with every limited edition or original work of art. Most limited edition and original artworks ship with a Certificate of Authenticity free of charge. This certificate is an official and valuable document that most insurance companies require in order to insure artworks against damage or theft. ArtRev.com will make every possible attempt to match or beat the advertised price of any major Internet competitor, art gallery, or frame shop; given that they are authorized to sell the item from the publisher or artist, and have the exact item in stock available for immediate sale.

**Pricing & Availability:** Due to the dynamic nature of the ArtRev.com website, prices and availability are subject to change without notice. ArtRev.com is not responsible for any pricing errors.
