About Ron Lim

Ron has always had a great love of comics and has been drawing since he was the size of a small monkey. He graduated with a BA in Graphic Arts at CSUS and received his first paying job as an artist during his junior year.

His first real comic book work was on Ex-Mutants and Badger. Ron got his first assignment with Marvel Comics at the very first WonderCon in Oakland California. He has been drawing professionally in the comic industry ever since.

Ron lives in Northern California with his wife Stephanie, where he draws until the wee hours of the morning watching late night talk shows and bad kung-fu movies.

Fine Art Print

Fine art prints are printed using sophisticated printing techniques such as lithography, serigraphy, or giclee prints. They are printed on thick archival quality paper or canvas with inks that last for decades. Besides the exquisite quality of a fine art print, limited edition prints are valuable and may appreciate in value depending on certain factors.
