Frame Your Artwork Online & Save!

Did you know that you can custom frame this artwork to your exact taste and specifications. Spark your own creativity and frame your artwork in as little as 2 minutes in three easy steps! Our Online frame shop offers museum quality framing services at prices up to 50% off your local gallery or frame shop. [See art collection](#) .

About Edvard Munch

Norwegian artist Edvard Munch's hauntingly introspective works heralded one of the most important artistic movements of the 20th century, Expressionism.

Munch was born in what is now Oslo and, after his mother died of tuberculosis in 1868, was raised by his father. His father's mental illness profoundly affected Munch and the deeply personal statements of his paintings echoed his troubled life: "Sickness, insanity and death were the angels that surrounded my cradle and they have followed me throughout my life."

Munch began his studies in 1881 at the Royal School of Design of Kristiania (later Oslo). In 1885 the artist traveled to Paris where he first encountered the Impressionist and Post-Impressionist works of Manet and Cezanne. While stylistically influenced by the Post-Impressionists, Munch's subject matter is Symbolist in content, depicting a state of mind rather than an external reality. During his career Munch traveled between Norway, Paris and Berlin and was a prominent member of avant-garde circles in each locale.

At the turn of the century, while in Berlin, Munch began experimenting with a variety of new mediums, including photography, color lithography and woodcuts, in many instances re-working his older imagery. During the Nazi era, his works were labeled "degenerate art" and were removed from German museums. A tremendously prolific artist and one of the most influential of the period, Munch's probing controversial psychological imagery continues to captivate modern audiences.

Fine Art Print

Fine art prints are printed using sophisticated printing techniques such as lithography, serigraphy, or giclee prints. They are printed on thick archival quality paper or canvas with inks that last for decades. Besides the exquisite quality of a fine art print, limited edition prints are valuable and may appreciate in value depending on certain factors.

Authenticity & Price Match Guarantee: Shop with confidence. ArtRev.com is proud to be the first online art retailer to offer a "[lifetime authenticity guarantee](#)" with every limited edition or original work of art. Most limited edition and original artworks ship with a Certificate of Authenticity free of charge. This certificate is an official and valuable document that most insurance companies require in order to insure artworks against damage or theft. ArtRev.com will make every possible attempt to match or beat the advertised price of any major Internet competitor, art gallery, or frame shop; given that they are authorized to sell the item from the publisher or artist, and have the exact item in stock available for immediate sale.

Pricing & Availability: Due to the dynamic nature of the ArtRev.com website, prices and availability are subject to change without notice. ArtRev.com is not responsible for any pricing errors.
