Frame Your Artwork Online & Save!

Did you know that you can custom frame this artwork to your exact taste and specifications. Spark your own creativity and frame your artwork in as little as 2 minutes in three easy steps! Our Online frame shop offers museum quality framing services at prices up to 50% off your local gallery or frame shop. [See art collection](#) .

About Anatole Krasnyansky

Anatole Krasnyansky is a prominent architect and watercolorist. He left the U.S.S.R. for the United States in 1975, where he found fertile ground for his aesthetic growth. His traditional cityscapes, much admired in Europe, have grown richer, freer and more expressive; and in recent years he has evolved a second, wholly new style with which to render the experience and ideas of his new life in the United States.

With a Master s Degree in Architecture and Fine Art, he is well versed in every aspect of the structure and design of the buildings he depicts. Since his arrival in the U.S., the artist has found important uses for his knowledge of architecture, design and his creative imagination, and he has realized his tremendous potential and achieved virtuosity in several different artistic areas.

Working as a scenic artist in television, motion pictures and the theatre, he has designed sets calling for his specialized background. Always a lover of the baroque, he incorporated the strength and fluid grace of that style into his figural compositions, capturing the sense of motion with which a building makes a line flow from one area to another.

Krasnyansky's awareness of the interdependence of architecture, sculptures, painting and applied art, and his knowledge of these diverse disciplines have shaped his career and found expression in his art. Through experimentation he has developed his own artistic method, one that has freed him from the constraints of traditional watercolor techniques. Krasnyansky's innovative inclusion of paper texture into the creative process is a dynamic component of his art, resulting in an expansion of the medium's potential. He is one of the first artists to elevate the watercolor medium to the expressive possibilities usually associated with oil painting. Bordering on the surreal, Krasnyansky's figures never depart from the recognizable. His art, altogether new in form, contain echoes of the artist's Eastern Heritage, the cubist ideas of Picasso and Braque and the modernity and energy of American Culture. They are lyrical and yet possess a human presence and combine his faith in the human spirit with a rigorous artistic substance and foundation.

Offset Lithograph

The offset lithography process works by first transferring an image photographically to thin metal, paper, or plastic printing plates. Unlike other forms of printing, the image on the printing plate is not recessed or raised. Rollers apply oil-based ink and water to the plates. Since oil and water don't mix, the oil-based ink won't adhere to the non-image areas. Only the inked image portion is then transferred to a rubber blanket (cylinder) that then transfers the image onto the paper as it passes between it and another cylinder beneath the paper.

The term offset refers to the fact that the image isn't printed directly to the paper from the plates, but is offset or transferred to another surface that then makes contact with the paper.

Authenticity & Price Match Guarantee: Shop with confidence. ArtRev.com is proud to be the first online art retailer to offer a "[lifetime authenticity guarantee](#)" with every limited edition or original work of art. Most limited edition and original artworks ship with a Certificate of Authenticity free of charge. This certificate is an official and valuable document that most insurance companies require in order to insure artworks against damage or theft. ArtRev.com will make every possible attempt to match or beat the advertised price of any major Internet competitor, art gallery, or frame shop; given that they are authorized to sell the item from the publisher or artist, and have the exact item in stock available for immediate sale.

Pricing & Availability: Due to the dynamic nature of the ArtRev.com website, prices and availability are subject to change without notice. ArtRev.com is not responsible for any pricing errors.
