- Museum-Quality Framing
- Up to 50% off Gallery Prices

Frame Your Artwork Online & Save!

Did you know that you can custom frame this artwork to your exact taste and specifications. Spark your own creativity and frame your artwork in as little as 2 minutes in three easy steps! Our Online frame shop offers museum quality framing services at prices up to 50% off your local gallery or frame shop. [See art collection](#) .

About Viktor Shvaiko

Born in Altai, one of Russia's most remote and off-the-beaten-track towns, Viktor Shvaiko grew up surrounded by the beauty of the wilderness. His natural inclination for fine arts and his strong urge to share his vision of nature drove him to find a way into the Novosibirsk Artistic School, one of the two best schools for the arts in the former Soviet Union. Four years of strenuous studies enabled Viktor, a very diligent student, to acquire the skills of a true artist.

Viktor credits his teacher, Ilbek Khairoullinov, for a true fine arts education. A strict regimen of drawing, an intricate technique of using colors, and the influence of the 19th century Russian artist Karl Bryllow brought Viktor Shvaiko close to a traditional academic style of painting. After having attained technical excellence in the manner of these traditional influences, the artist now possessed the tools with which to express his feelings to the world. At this point, Viktor's main focus became the beautiful Altai landscapes.

The Shvaiko family then moved to Transcarpathia, the western mountainous portion of Ukraine . There Viktor became enchanted with the picturesque and breathtakingly beautiful countryside. He continued to paint and was invited to show in two one-person expositions in Moukachevo in 1990 and a group exhibition in Hungary in 1991.

Shvaiko chafed under the stifling effect that the lingering Russian bureaucracy had on the careers of young artists. Unable to get a visa to a Western country, Viktor was permitted to travel to Yugoslavia . In the confusion of the civil war, he fled to Italy with his paintings strapped to his back, often encountering gunfire from roving bands of militia.

Having arrived in Italy virtually penniless, Viktor survived by selling his paintings on the streets of Rome . He managed to build a following for himself, and save some money. He eventually returned to a now more liberalized Russia, and was able to obtain passage to America.

Arriving in New York with little money and less English, Viktor was again able to survive by selling his work. It was here he developed his penchant for painting the little cafes and other intimate places that we see in his work today, and that have become his trademark. His enticing mix of beauty and mystery has drawn the interest and admiration of collectors from around the world.

Fine Art Print

Fine art prints are printed using sophisticated printing techniques such as lithography, serigraphy, or giclee prints. They are printed on thick archival quality paper or canvas with inks that last for decades. Besides the exquisite quality of a fine art print, limited edition prints are valuable and may appreciate in value depending on certain factors.

Authenticity & Price Match Guarantee: Shop with confidence. ArtRev.com is proud to be the first online art retailer to offer a " [lifetime authenticity guarantee](#) " with every limited edition or original work of art. Most limited edition and original artworks ship with a Certificate of Authenticity free of charge. This certificate is an official and valuable document that most insurance companies require in order to insure artworks against damage or theft. ArtRev.com will make every possible attempt to match or beat the advertised price of any major Internet competitor, art gallery, or frame shop; given that they are authorized to sell the item from the publisher or artist, and have the exact item in stock available for immediate sale.

Pricing & Availability: Due to the dynamic nature of the ArtRev.com website, prices and availability are subject to change without notice. ArtRev.com is not responsible for any pricing errors.
